THE 2026 NATIONAL SURVEY OF COMMUNITY REHABILITATION PROVIDERS
(Updated Shorter Version)

This survey collects information from Community Rehabilitation Providers (CRPs) about employment and day services for people with intellectual and developmental disabilities (IDD).

The ICI at UMass Boston, together with the American Network of Community Options and Resources (ANCOR), is conducting this survey. The study is funded by the National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR). Note: We have extended the deadline and now offer the survey in a shorter format

About this survey

The survey is organized into three sections:

A. Organizational characteristics
B. Service delivery, trends, and strategic priorities
C. Budgets and funding sources

Who should complete the survey

We recommend a senior staff member complete the survey, specifically someone with broad knowledge of the areas listed above.

Organizational Characteristics

This section asks for information about your organization to determine survey eligibility.

Organization information (for administrative purposes)

Please provide the following information.

Organization name:

State:

ZIP code:

Primary contact first name:

Primary contact last name:

Primary contact email address:

Organizations may provide employment and day services in multiple locations.

For the remainder of the survey, please report information on the site receiving this survey and any sites additional directly managed from that location.

Definition of a site

A site is a physical service location, an administrative or organizational office, or a virtual office that manages service delivery.

- Enclaves, mobile crews, and community-based day service activities should be reported under the site that manages them, not as separate sites.
- Organizations that do not have a physical service location but provide services through community-based staff should report under the site responsible for managing those services.

Does the site receiving this survey, including any sites directly managed from that location, currently **provide employment and/or day services to adults with intellectual and developmental disabilities (IDD)**?

- ❒ Yes – *Continue to Section A.*
- ❒ No – *Thank you for your time. This site is not eligible because it does not currently provide employment and/or day services to adults with IDD.*
