General Information

This section asks for information about your organization to determine survey eligibility.

Organization information (for administrative purposes)

Please provide the following information.

Organization name:

State:

ZIP code:

Primary contact first name:

Primary contact last name:

Primary contact email address:

Organizations may provide employment and day services in multiple locations.

For the remainder of the survey, please report information on the site receiving this survey and any additional sites directly managed from that location.

Definition of a site

A site is a physical service location, an administrative or organizational office, or a virtual office that manages service delivery.

- Enclaves, mobile crews, and community-based day service activities should be reported under the site that manages them, not as separate sites.
- Organizations that do not have a physical service location but provide services through community-based staff should report under the site responsible for managing those services.

Does the site receiving this survey, including any sites directly managed from that location, currently **provide employment and/or day services to adults with intellectual and developmental disabilities (IDD)**?

- ☐ Yes – Continue to Section A.
- ☐ No – Thank you for your time. This site is not eligible because it does not currently provide employment and/or day services to adults with IDD.
